

# HUIS TEN BOSCH is the world most beautiful European resort of flowers

Huis Ten Bosch is a residential-style resort built after a mediaeval 17th century Dutch town. Palace Huis Ten Bosch, built with special permission from the royal family, is a reproduction of the residence of Her Majesty the Queen of The Netherlands. In English, Huis Ten Bosch means "House in the forest." And true to its name this residential-style resort has canals running throughout, is surrounded by greenery, forests, amusements, shops, restaurants, five distinct hotels, a marina and residential area. This spacious 152-hectare resort is striving to become the top flower resort in the world and flowers in full bloom can be found all throughout the year. Spring, summer, autumn, and winter, each season transforms this European resort into something completely new.
